

THE BASIC CONCEPTS PROGRAMME

A QUALITY EARLY CHILDHOOD EDUCATION PROGRAMME FOR
COGNITIVE DEVELOPMENT THAT PROVIDES: -

1.	A language-rich environment
2.	Warm, responsive and interactive encounters
3.	Cognitive stimulation with challenge
4.	Content that is relevant, conceptually structured, and appropriate for all learners
5.	Educators with hands-on coaching
6.	An incremental and learner-paced approach
7.	A small-group work model focussed on individual developmental needs
8.	Mediators with a teaching model that transitions from concrete to abstract concepts
9.	Connections for transfer to the home environment
10.	Educators with tools to monitor cognitive development
